

We're In

This song starts Act Two and is sung in a bar in America by the bar staff, service personnel and civilians all of whom have just heard that Pearl Harbour has been bombed and that America is now in the war.

We're in, we're in - we're most undoubtedly in
We're in, we're in - it's gotten under our skin
We're gonna join you in this hour of need
A friend in need is a friend indeed
We're in, we're in, we're most decidedly in

We're in, we're in - and we can't wait to begin
We're in, we're in - we can take it on the chin
We made our minds up, we're going to win
We'll see you all in downtown Berlin
We're in, we're in, most undeniably in

We're in, we're in - we're coming over there
We're in, we're in - we're coming well prepared
We will stand together and we shall see
Our flags united spell victory
We're in, we're in, we're most definitely in

Two Instrumental Verses

We're in, we're in - we're in it all the way
We're in, we're in - we're gonna have our say
We're in, we're in - we're all gonna succeed
A friend in need is a friend indeed
We're undisputedly in.
